### **7th Annual Handmade Nashville Spring Art & Craft Show - PRINT VERSION**

Early May is the ideal time of year to spend a Saturday at a craft show! The artisans of Handmade Nashville will be back at the Red Caboose Park in Bellevue on May 7th for their 7th annual Spring Arts & Craft Show. There will be over 70 handmade vendors and four local food trucks with music provided by Hippie Radio.

The spring craft show is the day before Mother's Day, so it's a perfect opportunity to get unique and beautiful last-minute gifts for moms and mothers-in-law. It's also a wonderful place to shop for other gifts, arts, crafts, and decor, get something to eat, and enjoy the fresh air.

Handmade Nashville's mission is to promote handmade artisans in the Nashville area. They operate a thriving Facebook group with over 2,000 members. Since 2014 they have helped many of those members turn their hobbies into successful businesses. Handmade Nashville hosts three in-person craft shows per year - this is the first one of 2022.

The craft show opens at 10 am. Arrive early for a chance to get one of the amazing swag bags filled with samples that are offered to eligible early shoppers.

This event is free to attend with plenty of free parking nearby. It is kid-friendly, and leashed pets are welcome!
